

DELIVER UNDER A NAME THAT'S TRUSTED.

The Filler Piece manages joinery delivery across NSW - installations, QA auditing, remediation and artisan works. We don't do it alone. We run a small, vetted network of trade specialists who deliver to our standard, on our sites, under one accountable banner

WHO WE PARTNER WITH

INSTALLERS

Joinery installers who set out, scribe and install to spec.

QUALITY AUDITORS

Detail-led installers who understand drawings, tolerance and spec.

REMEDIATORS

Specialists who rectify without unnecessary removal.

ARTISANS

An eye for bespoke, finish critical detail work.
